1. Applicants' paper filed on 1/9/2007 has been received and entered. Claims 1-37, 41 and 61 have been cancelled. Claims 38, 43 and 48 have been amended. Claims 38-40 and 42-60 are pending in the application.
2. Applicants' remark has been considered.
3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

In order to meet the requirement to avoid the term "means" in the abstract, the application has been amended as follows:

In the abstract, line 6, change "means" to --device--

4. The following is an examiner's statement of reasons for allowance:

Claims 38-40 and 42-60 are allowable over the prior art of record because none of the prior art whether taken singularly or in combination to teach the claimed invention as recited, especially when these limitations are considered within the specific combination with other limitations of the claim (please see the previous office action and applicants' response argument filed on 1/9/207 for details of reason for allowance).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
